Jonathan Eade has 40 years' experience of Private Client work generally, but specifically in the area of Probate and Estate Administration.

## Expertise

### Private Client

Jonathan is experienced in dealing with complex estates especially those that are taxable, and which require post death variations.

He also has a long record of dealing with Intestacies and applications for limited grants.

#### Notable Private Client cases

##### Estate Administration

Handling a large estate where the Will had been subject to post execution amendments. Obtaining the Court's directions to submit a fiat copy of the Will with the amendments removed and successfully obtaining Probate.

##### Estate Administration

Handling an estate that comprised a homemade Will, the effect of which was uncertain. Having ascertained and agreed the true meaning and effect of the Will, we were able to obtain a six-figure refund of Inheritance Tax from HMRC.

##### Intestate Estate

Handling an Intestacy where very few of the potential beneficiaries were known to each other. Working with genealogists to identify all possible beneficiaries
